

## Instantly turn your ideas into reality.

With PenPartner2 and the bundled software JustWrite Office, you can now add handwritten notes to your Microsoft Office documents with maximum speed and comfort.

Using PenPartner2, corrections and new ideas can be inserted instantly into, for example, Adobe Acrobat documents just as easily as with a traditional pen on paper.

### Package contents

- ▶ Tablet (14.6 x 15.0 x 8.5 cm) and pen
- ▶ Quick start guide
- ▶ CD-ROM with tablet driver, user manual and JustWrite Office software for Microsoft Word, Excel and PowerPoint.

Watch for the Penabled logo to ensure you're getting the natural feel and superior performance of Wacom's patented cordless and battery-free pen technology.

## PenPartner<sub>2</sub>

## Notebooks love it.

***Gives work a whole new feel.***

The PenPartner2 pen tablet from Wacom ideally complements your notebook – and it's not just its shiny appearance that stands out.

Working with the lightweight pen is now so much more ergonomic, flexible and precise than with your notebook's in-built touchpad. Experience the new meaning of comfort with PenPartner2.

As the market leader, Wacom ensures only the highest standards of quality and reliability.

***A design that will turn heads. PenPartner<sub>2</sub>. Notebooks love it!***

PenPartner2 shines in elegant black and reflects the latest in notebook design trends. Thanks to its ultra-slim and compact size, the tablet fits effortlessly into any laptop case.
