## Creative Stylus

### Authentic creativity for your iPad

Intuos Creative Stylus is the ideal creative pen for iPad. It's the natural, authentic and easy way to sketch, draw and visualize your ideas. Thanks to its unique pressure-sensitive pen tip with 2048 pressure levels it offers the artistic control of real brushes, markers and pens on paper.

Wherever you are, simply connect it to your iPad through Bluetooth® 4 and start enjoying a real creative pen-on-iPad experience and get to work – with popular creative apps.

Start your creative workflow anywhere, then transfer and refine your artwork later on your Mac and PC with full creative software such as Adobe® Photoshop and a Wacom Intuos pen tablet or Cintiq creative pen display when in your studio.

Intuos Creative Stylus is designed for iPad 3, iPad 4 and iPad mini. It is available in two colors (blue and black) and comes with a convenient carrying case including battery and two replacement nibs.
