

PL-1600

The interactive pen display by Wacom.

Enrich your style of presenting.

The compact and mobile HD solution.
The Wacom PL-1600 interactive pen display.

Because today's audiences are accustomed to a different, more interactive kind of media usage and consumption, Wacom has developed a contemporary, efficient presentation tool that helps to simplify any kind of knowledge transfer, whether in business or education: the PL-1600 interactive pen display.

- **Enriches presentation methods**

The PL-1600 allows comments to be written by pen directly on the screen which makes your presentation more lively.

- **Increased flexibility**

With its compact 16" widescreen HD display, it's the ideal mobile solution for users who change their teaching environments frequently.

- **Optimises interaction with the audience**

The PL-1600 promotes a motivating and fruitful face-to-face working atmosphere between presenter and listeners.

- **Advanced presentation ergonomics**

Enjoy perfect hand-eye coordination and ergonomic posture.
